

Knights of Momus

May 18, 2017

Dear Knight of Momus:

At the annual meeting on April 29th, 2017, members elected the Officers and Directors of the Knights of Momus for 2017-2018. A list of their names and the offices they hold is enclosed.

We are especially excited about the announcement of our new theme "**Momus Proclaims Galveston: Queen City of the Gulf**" – a theme sure to bring down the house (and the Island) as chapter after chapter of the 'good ol' days' get reenacted throughout our events.

The first social function will be the King's Affair on July 22nd, 2017 at a Galveston venue yet to be disclosed. The site will be a fitting kick-off to a year-long celebration of Galveston's finest and most glorious days. Details concerning other membership events will be provided as plans are completed.

This year we will continue to expand our recruiting efforts by having members host small social gatherings to introduce potential members to Momus. If you are interested in hosting or helping host a recruiting function, please contact Mr. Russell Scheirman (rscheirman1@gmail.com), Membership Chair, or Dr. Sean Funston (sean.funston@yahoo.com), Membership Chair. You can help Momus by proposing friends and family or business associates you feel would enjoy Momus membership. We are enclosing an application for the 2017-2018 year. We will consider new member proposals as received throughout the year.

We are looking forward to another great year and welcome your comments and participation.

Sincerely,

V. J. Tramonte
Chairman, Executive Committee
Knights of Momus

Scott A. Livanec
President
Knights of Momus
